FESTIVAL MULTIPLICAZIONI - ROVERTO

PRESENTATION PROJECT

ADMINISTRATIVE SOLUTIONS

WHAT WE ARE DOING?

THERE IS AN AGRICULTURAL DIVISION, WHERE FOOD RELATED ACTIONS /PROJECTS, AS AGROPARKS/ URBAN FARMS COULD BE INITIATED (MARSHAL OFFICE)

INNOVATION DIVISION, ANY OTHER MORE ADVANCED ACTIONS ARE REALIZED WITHIN PROJECTS (MARSHAL OFFICE)

START TALKING ABOUT FOOD ISSUES WITHIN CITIES, THE MUNICIPALITY SIGNED OF MILAN URBAN POLICY PACT (TRENTO)

MULTI-LEVEL SUPPORT FOR PROJECTS WHICH ESPECIALLY DEAL WITH FOOD IN CONNECTION WITH CLOSED CIRCUIT ECONOMY (MARSHAL'S OFFICE)

WE WERE DOING CIRCE PROJECT, WHERE WE MATCHED WITH FOODSHIFT2030 TO SHARE KNOWLEDGE AND EXPERIENCE (MARSHAL OFFICE)

WHAT IS THE MOST IMPORTANT?

CREATE AWARENESS OF FOOD ISSUES. PROMOTE ENVIRONMENTALLY CONSCIOUS LOCAL ENTITIES, SUCH AS FARMERS AND PRODUCERS (TRENTO)

WE NEED A PROFESSIONAL FOOD SUSTAINABLE DEVELOPMENT STRATEGY, WHICH PROVIDE US THROU THIS SHIFTING: FOOD WASTE, SHORT SUP.CHAINS, PLANT/MEET MEAL BALANCE (FK)

EXCEPT OF FOOD PRODUCTION (WHICH IS OUR MAIN INTEREST) WE ALSO WANT TO FOCUS ON ECOLOGICAL AND FOOD EDUCATION, COOPERATION WITH LOCAL COMMUNITIES AND RESEARCH/DEVELOPMENT

IMPORTANT IS TO HAVE A CONSTANT LOCAL FOOD SUPLIERS, WHO WILL COVER OUR NEEDS (LOGISTIC ISSUES)

WHAT IS THE CHALLENGE? QUESTION MARKS

FINDING SPACES IN CITIES TO DEDICATE TO SHORT FOOD SUPPLY CHAIN FOR SELLING AND PRODUCTION (TRENTO)

COLLABORATION BETWEEN DIFFERENT DIVISION WITHIN MULTIDISCIPLINARY PROJECT (MARSHAL OFFICE)

THERE IS NO "STRICT" ACTION/TASKS/AREA CONNECTED TO FOOD, HOWEVER IT SHOULDN'T BE A BIG PROBLEM (MARSHAL OFFICE)

FIND A COMMON GROUND WITH MANY DIFFERENT ACTORS OF THIS SHIFT IN OUR INSTITUTION. TECHNICIANS, KITCHEN WORKERS, CLEANING STAFF. MENTAL FEARS SLOW ACTIONS (FK)

COOPERATION WITH THE AUTHORITIES

MANY DECISIONS RELATED TO THE INITIAL STAGE OF THE FARM CREATION: DEFINING THE COOPERATIVE'S OPERATION, FARM DESIGN, DIRECTIONS OF DEVELOPMENT

COMMUNICATIONAL STYLE WITHIN A WORKER STAFF AND LOCAL CONSUMERS: EG. QUESTION ABOUT MEAL NORMAL OR VEGETARIAN :) AND WAYS OF NAMING: JARSKI, NON MEET (FK)

WHAT GOES WELL?

THE MANY ACTIVE VOLUNTEER ACTIVITIES ON FOOD POLICIES (TRENTO)

NETWORKING, SHARING GOOD PRACTICES (MARSHAL OFFICE)

GARDEN EDUCATION, HORTITERAPY, GARDEN ACTIONS WITH WORKERS. LOTS OF INTEREST OF THIS TOPIC AMONG A LOCAL SCHOOL (FK)

WE HAVE STARTED GARDENING WORKS (FERTILIZING WITH COMPOST, FIRST PLANTINGS ETC)

COOPERATIVE URBAN FARM WARSZAW (POLAND)

LOCATED ON SIEKIERKI, WARSZAW

CLOSE TO VISTULA RIVER

FARM

PREVIOUSLY ALLOTMENT GARDEN WITH MANY FRUIT TREES

LEASE AGREEMENT WITH THE CITY

IMPLEMENTATION SOLUTIONS

WE RUN A LARGE COMMUNITY GARDEN + WE ARE DEVELOPING A PROJECT OF A COOPERATIVE URBAN FARM (WARSZAW)

FK RUNS A MASS KITCHEN WHERE WE SHIFTING ON MORE PLANT BASED DIET: VEGETARIAN SOUPS (REGULAR), POSSIBILITY OF CHOSEN A VEGE AND VEGAN MEALS EVEN WHOLE EVENTS

WE COOPERATE WITH LOCAL NGO'S, COMMUNITY LEADERS, TEACHERS AND THOSE WHO WANT TO ENGAGE WITH DEVELOPING OF OUR GARDEN. PROMO OF LOCAL PRODUCTS AND PRODUCERS (FK)

FK ESTABLISHED AN EDUCATIONAL GARDEN WITH PERMACULTURE ELEMENTS. WE CREATED A 10 SCENARIOS RELATED TO THE FOOD TOPICS

WE NEED A PROFESSIONAL FOOD SUSTAINABLE DEVELOPMENT STRATEGY, WHICH PROVIDE US THROU THIS SHIFTING: FOOD WASTE, SHORT SUP.CHAINS, PLANT/MEET MEAL BALANCE (FK)

EXCEPT OF FOOD PRODUCTION (WHICH IS OUR MAIN INTEREST) WE ALSO WANT TO FOCUS ON ECOLOGICAL AND FOOD EDUCATION, COOPERATION WITH LOCAL COMMUNITIES AND RESEARCH/DEVELOPMENT

IMPORTANT IS TO HAVE A CONSTANT LOCAL FOOD SUPLIERS, WHO WILL COVER OUR NEEDS (LOGISTIC ISSUES)

FIND A COMMON GROUND WITH MANY DIFFERENT ACTORS OF THIS SHIFT IN OUR INSTITUTION. TECHNICIANS, KITCHEN WORKERS, CLEANING STAFF. MENTAL FEARS SLOW ACTIONS (FK)

COOPERATION WITH THE AUTHORITIES

MANY DECISIONS RELATED TO THE INITIAL STAGE OF THE FARM CREATION: DEFINING THE COOPERATIVE'S OPERATION, FARM DESIGN, DIRECTIONS OF DEVELOPMENT

COMMUNICATIONAL STYLE WITHIN A WORKER STAFF AND LOCAL CONSUMERS: EG. QUESTION ABOUT MEAL NORMAL OR VEGETARIAN :) AND WAYS OF NAMING: JARSKI, NON MEET (FK)

GARDEN EDUCATION, HORTITERAPY, GARDEN ACTIONS WITH WORKERS. LOTS OF INTEREST OF THIS TOPIC AMONG A LOCAL SCHOOL (FK)

WE HAVE STARTED GARDENING WORKS (FERTILIZING WITH COMPOST, FIRST PLANTINGS ETC)

FOOD PRODUCTION

RESEARCH

EDUCATION

WE FOCUS ON

NOW WE ARE TRY TO DEFINE THE FRAMEWORK FOR THE COOPERATIVE FUNCTIONING

WE STARTED WORKING ON THE FARM A MONTH AGO

IT IS IMPORTANT TO WORK STEP BY STEP WITH THOSE WHO AREN'T CONVINCED YET

WE ARE IN SAME KIND OF A BUBBLE OF CONSCIOUS PEOPLE, WHO EAT PLANT BASED FOOD

IN A SOCIETY THERE IS A BLANK PAGE, THAT HAS NEVER BEEN FILLED BY EDUCATION AT SCHOOLS

WE NEED TO COMBINE OUR KNOWLEDGE AND OUR EXPERIENCE, BECAUSE PUTTING STRESS ON ONE ACTOR IS NOT ENOUGH

IN THE PANDEMIA PEOPLE SAW HOW SYSTEM IS FRAGILE, UNSTABLE AND UNFAIR AND NOW EASIER TO TALK ABOUT THE FOOD SYSTEM, HOW EVERY ACTOR IS CONNECTED

IN THE PANDEMIA MANY RESEARCH HAS BEEN LAUNCHED AND NOW WE HAVE MORE DATA CONCERNING HOW EFFECTIVE IT COULD BE TO HAVE THIS SMALL COMMUNITY AND THE SMALL FOOD SYSTEM

MAIN THOUGHTS

POLITICAL LEVEL

ACCESS TO FOOD

CHANGE OF THE CLIMAT

WORLD IS BURNING, WE ARE FACING CRISIS

THERE IS EMERGENCY TO MAKE A SHIFT

ACT SPEAKS MORE THAN WORDS, TALKING IS GREAT, BUT ONCE YOU SHOW HOW IT WORKS AND PEOPLE CAN TOUCH IT AND SEE THE RESULTS IT'S THE BEST WAY TO CONVINCHE THEM

THIS PROJECT HAS RECEIVED FUNDING FROM THE EUROPEAN UNION'S HORIZON 2020 RESEARCH AND INNOVATION PROGRAMME UNDER GRANT AGREEMENT NO. 862746.
